

Gucci - Umbrella Cockatoo

We are very happy to announce that Gucci was adopted into her forever home in the first week of June 2009. Peachie and Gucci went together and we wish them all the best! We hope to provide updates soon.

My first family had to move out of the country and I could not go with them.

I was very loved and am very loving. I pick a little around my neck. Since I moved to the front room in the Refuge, I am becoming a happy and friendly bird. I love to cuddle and being let out of my cage. I will also do anything for a nut!
